Subject:- PASSES FOR MEMBERS OF ESSENTIAL SERVICES - Exemption from the operation of the "Mysore Hostile Attack Order" issued under Sub-rule 1 of the Defence of India Rules, as applied to Mysore.

SIR,

I have the honour to state that requisition has been received from the mail sorting service of the Postal Department for issue of passes to permit the staff to report to their places of duty, either during an actual alert or during practice alerts. The issue of such passes will imply the exemption from the operations of the Mysore Hostile Attack Order, of those to whom such passes are issued.

In clause 1, Para 3, of the Hostile Attack Order, it is stated that no person who has duties to perform in connection with the A.R.P. Services shall move out or fail to take shelter. Though the members of the Postal Staff do not perform any duties in connection with the A.R.P. Services, yet they have an important duty to perform viz. the transmission of the mails which forms an important service and is essential, whether during practice alerts or actual alerts, in the public interest. It happens that the practice alerts, particularly night practices, take place during the time, when the members of the mail sorting service have to report themselves for duty at the Railway Station by a particular time, to take the mails in the mail trains.

The Staff of the Postal Department, have not been declared as belonging to Essential Services in the Mysore Hostile Attack Order and therefore, as orders stand at present, they are not

not entitled to move out during an alert on any account. They are therefore liable to be stopped by the Police and A.R.P. Wardens on the road while proceeding to their duties and directed to take shelter, wherever they are, till the "All Clear" is sounded. This will naturally prevent them from reporting to their places of duty, particularly those belonging to the mail sorting service who will have to travel in the mail trains which leave the Railway Station at specified timings. To avoid this difficulty, the Postal Department are praying for passes to enable them to attend to their duties during alerts, thereby exempting them from the operation of the Mysore Hostile Attack Order.

To enable them to attend to their important duties even during alerts, the members of the mail sorting service of the Postal Department may be notified as belonging to essential services, and exemption granted to them from the operations of the Mysore Hostile Attack Order.

If the exemption is accorded, suitable non-transferrable permits similar to bus or railway passes, will be got issued noting therein the name of the individual and the department to which he belongs. The pass will be signed by the A.R.P. Officer, Head of the Department to which the individual belongs and the individual also. This pass will be produced whenever demanded by the Police and A.R.P. Wardens.

In addition to this, it is also desirable to request the Postal Department to issue armlets of the pattern of A.R.P. Armlets, containing the letters R.M.S. (Red letters on blue back-ground) for being worn on the left arm by the individual to whom a pass is issued for easy identification.

identification.

I request you to kindly obtain the orders of Government in the matter of declaring the members of the Postal Department as belonging to essential service and according them exemption from the operations of the Mysore Hostile Attack Orders.

I have the honour to be,
Sir,
Your most obedient servant
